Bangkok Communist propaganda plans involve the following objectives:

- 1. To capitalize on nationalist feeling by spreading the report that Thailand has concluded with the United States a military agreement by whose provisions Thailand will give military bases to the United States, resulting in the loss of Thai independence.
- 2. To urge opposition parties and the people to do something to protect Thailand from the Phibun Government's increasing maladministration and anti-Communist policy so dangerous to a small nation.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
